3 Bedroom, 2.00 Bathroom, 1,139 sqft

Residential on 0.16 Acres

Edson, Edson, Alberta

Built in 1996, this spacious bi-level home offers 1,139 sq. ft. of living space on the main floor. The kitchen features plenty of oak cabinets, a pantry cupboard, and upgraded fridge and stove appliances. There is a dining area with patio doors that lead to the deck and a generously sized living room with a vaulted ceiling and large window that fills the space with natural light. Down the hall, you'll find the spacious primary suite complete with a 4-piece bathroom, as well as two other good-sized bedrooms and a 4-piece main bathroom. The partially finished basement is roughed in to accommodate two bedrooms and a bathroom on one side, while the other side features a massive family room, along with a laundry/utility room. The perimeter walls are completed with drywall and electrical work; the rest awaits your finishing touches. Enjoy the outdoors on the brand new deck that overlooks the large backyard that is partially fenced. There's a large storage shed, and a metal carport (10' x 20') with parking access off the alley and there's plenty of room to build a garage with Town approval. The shingles were redone five years ago, the water heater was replaced April 2025. This home is ideally located just off Main Street and is a short walk to the Medical Centre, as well as shops and restaurants.
