This home is at the end of a cul de sac and is an outside unit. Located near a wooded area, this townhouse has had several updates and upgrades which include a new furnace in 2016, new oven in 2022 and a new hot water tank in 2024. The interior has had the flooring replaced with laminate flooring. The open concept of the kitchen that has an eating island combo shares a dinette and easy access to the spacious living room. Main floor laundry is convenient along with a 2 piece powder room. In the lower level you will discover 3 bedrooms and a 4 piece bathroom. The shingles were done in approx. the last 5 years and the exterior has good vinyl siding and faux rock accents. This may be ideal for your family or if you are downsizing.
