Welcome to Unit 404 – a rare, fully developed end-unit townhome offering nearly 1,760 sq ft of total living space, tons of natural light, and the largest private yard in the complex. With 3 bedrooms, 2.5 bathrooms, and thoughtful updates throughout, this home delivers comfort, space, and style in one of Airdrie’s most convenient locations. The main floor features 9' ceilings and an open-concept layout with a spacious living area, dining room, and kitchen equipped with stainless steel appliances (including a new dishwasher in 2024), a granite breakfast bar, and a full pantry for extra storage. As a bright corner unit, the home is flooded with light – your plants (and mood) will thrive here. Central A/C keeps things comfortable through the summer months. Upstairs, you'll find a generous primary bedroom that fits a king-sized bed and includes a walk-in closet, along with two additional bedrooms and a well-appointed 4-piece bathroom. The fully developed basement adds even more living space with a large, open rec room – perfect as a guest area, second living space, home gym, office, or whatever else you need – plus a 3-piece bathroom, laundry, and plenty of storage. Step outside to your incredible backyard – the biggest in the complex – beautifully landscaped, fully fenced, and complete with a private deck. It’s the perfect spot for lounging in the sun, letting pets roam, entertaining friends, or simply enjoying a little outdoor breathing room. The home also

comes with two parking stalls (one assigned and one communal access) for added convenience. Located in a well-managed, pet-friendly complex, residents enjoy access to an on-site playground and a rentable amenity center for hosting gatherings.
