Coventry Hills, Calgary, Alberta

Welcome to this thoughtfully updated, move-in ready detached home on a quiet street in desirable Coventry Hills. With more than 1,600 square feet of living space, it's perfect for young families, first-time buyers, or smart investors!

Updated Throughout: 2024 vinyl plank flooring, 2024 freshly painted walls, modern light fixtures, and brand-new shingles and gutters on both home and garage (2025) with a 15-year warranty.

Functional Layout: Bright living room with a bay window, and a well-appointed kitchen featuring white cabinetry, stainless steel appliances, and a newer backsplash. The kitchen is separated from the living room, helping to keep cooking smells contained. The adjacent dining area offers ample space and direct access to a large southeast-facing deck – perfect for BBQs and outdoor gatherings.

Main Floor Laundry & Guest Bathroom:

Smartly tucked into the private 2-piece powder room, with future potential to be converted into a full 4-piece bathroom.

Comfortable Bedrooms: Spacious primary bedroom with a walk-in closet and cheater access to a 4-piece bathroom with a soaker tub and full tile surround. Two additional bedrooms complete the upper floor. The layout also offers future potential to convert the walk-in closet into a dedicated ensuite bathroom for the primary bedroom, subject to design feasibility.

Finished Basement: Offers a family room, two

bonus rooms (non-egress), and a versatile flex area â€” ideal for a kidsâ€™ playroom, home office, gym, or storage. Thereâ€™s potential for future development expanding functionality and rental value.

Outdoor Space: Fully fenced backyard with an oversized double detached garage, a concrete parking pad, and a large sunny deck.

Additional Highlights: No Poly-B plumbing, not a zero-lot line property, and recent professional cleaning of carpets and furnace.

This is a solid home with quality updates, an efficient layout, and great long-term potential â€” all at an affordable price in a family-friendly community close to schools, parks, shopping, and transit.
