Residential on 0.22 Acres

NONE, Eckville, Alberta

Craving a quieter life with more space, and skies that stretch for miles? Welcome to small-town living at its best. This 1,178 sq ft bungalow is tucked into a peaceful close and offers the kind of lifestyle that city buyers dream aboutâ€”minus the noise, the traffic, and the sky-high prices.

Inside, you'll find a warm and welcoming layout with three bedrooms upstairs, including a generous primary suite complete with walk-in closet and 3-piece ensuite. The bright, spacious kitchen features vaulted ceilings and plenty of room for a big dining tableâ€”perfect for family dinners or entertaining friends. Large windows in the living room flood the space with natural light.

Downstairs, the basement offers an oversized family roomâ€”ideal for movie nights, or a play space for kids. Thereâ€™s also an additional room that could be used as a guest bedroom, home gym, craft space, or office (note: no closet and non-egress window). The attached double garage (21'6" x 21'4") is fully finished, giving you extra comfort and convenience year-round.

But what really sets this property apart? The massive backyard. If youâ€™ve been dreaming of a garden, a play area, a possible future workshop, or just some room to breathe, this lot delivers.

Recent updates mean you can move in with peace of mind: poly-B plumbing has been replaced, a new kitchen window and basement guest bedroom window were added, new toilets and faucets installed, new flooring in the ensuite, ducts has just been cleaned, and upstairs carpets steam-cleaned. Shingles are 9 years old, and kitchen appliances are 4 years old. This home is ready for your personal touches. See documents section for more details on improvements.

If youâ€™ve been waiting for a home that offers real value, room to grow, and a small town that you won't be stuck in traffic jams â€“this is your sign to make the move..
