Residential on 0.32 Acres

NONE, Clive, Alberta

WELCOME TO ALBERTA! From the great Clive, comes a very stylish, sprawling bungalow on a big corner lot. The kitchen, a galley style, modern farmhouse design is stunning and functional. Opening onto a huge dining room with vaulted ceilings to give the space a grandiose feeling as were move into the sunken living room where the stone fireplace commands all the attention thanks to it's magnificent size! This space includes a room which was used for a home based salon at one time but is now the office. A total of four bedrooms, with three on the main floor and a very healthy master bedroom to accommodate a king sized bed and still leave lots of room, note the cool feature wall. Laundry services are offered upstairs currently but can be hooked up downstairs depending on needs. The main floor bathroom is very trendy and compliments the full bathroom downstairs, which needs some mudding and taping and then will be ready to go! The basement is good and dry, and makes a nice place to take in a movie! The crawl space has been totally sealed and is more storage than you'll probably ever need. Outside, a new detached double garage, finished, with high ceilings and 220 power for the welder in your life. The property was graded to keep good drainage, a new fence was put up in 2023 and a hurricane proof deck was added in 2024! The home had a new mast, panel box, some re-wiring and a 50 amp service for an RV at the front of the home done in 2022 and a new fridge was

installed then as well. Washer & Dryer as of 2024. Clive is a rocking little town in one the nicest counties of Alberta. It offers a great school, parks and playgrounds, some essential businesses, great eateries and community spirit. This is Alberta, Amen!
