3 Bedroom, 3.00 Bathroom, 2,612 sqft Residential on 1.40 Acres

NONE, Bellevue, Alberta

Located on 1.4 acres with a creek running through, this unique property sits just outside the historic community of Bellevueâ€"at the gateway to the amazing Rocky Mountains in the Crowsnest Pass.

Surrounded by mountain views, this custom-built, 3-bedroom, 3-bathroom home spans three levels and offers flexibility for family living, a peaceful retreat, or could be ideal for a B&B or AirBnB.

The lower level features a generously sized single-car garage with in-floor heating, a full 3-piece bath, and a sprawling family room with three separate entrancesâ€" this may be ideal for a future suite, guest quarters, or extra bedrooms.

On the main level, a spacious open-concept design brings together the kitchen, dining, and living areas, all taking in natural light from a full wall of south-facing windows. Two good-sized bedrooms, a full bathroom, and a dedicated laundry room complete this floor, offering comfortable everyday living with great flow.

The top level is home to a massive primary suite that could easily be reimagined as two roomsâ€"think nursery, home office, or cozy reading nook. This upper space, along with the main level, is warmed by an energy-efficient boiler system using fan coil heat exchangers for forced air comfort.

Features include a high-end overlapping steel roof, a new boiler system (2019), and a Duradek wrap-around deck installed in 2021 (still under warranty).

Step outside and explore your own sanctuary: picnic area with firepit, mature landscaping, fenced garden, and a creekside setting that invites wildlife and serenity alike. With 1.4 acres, there's plenty of space to build a large shop, park an RV, or host guests. And if you run out of space (so you may say to your in-laws;)) your guests have a fully serviced campground next door that can be taken advantage of!

Ideally located near Highway 3 with quick access to hiking, skiing, fishing, and the incredible backcountry terrain the Pass is known for. Whether you're looking for a full-time mountain home, a recreational getaway, or potential for an income generator, this property combines nature and versatility in one of Alberta's most amazing mountain areas.
