Evanston, Calgary, Alberta

Space enough for a dedicated dining area. Natural light bathed living room looks out to the patio and beyond without obstruction. Good size patio with glass panels and natural gas outlet for barbecue. Ample size primary bedroom comes with a walk-in closet, and a four piece bathroom with shower stall. The second bedroom is just as spacious as the primary bedroom. The kitchen comes with stainless steel appliances and most of them were replaced recently. The quart countertop, and breakfast bar complete the kitchen. The laundry room doubles as a storage room, room enough to store and forget. If this is not enough there is an assigned external storage unit. This home was painted about 3 years ago with bright and lively colour. The floor was levelled and flooring replaced. The size of the titled underground parking stall will provide added incentives to own this home. The width of the stall is 13.5 with a pillar on one side and the wall on the other.
