Welcome to this beautifully maintained home with breathtaking mountain views and truly move-in ready, with no further costs needed on fencing, decks, landscaping, appliances and no HOA fees. From the moment you arrive, the charming front garden and inviting curb appeal set the tone. Inside, warm hardwood floors flow throughout the main level, creating a bright, open-concept space that's both stylish and functional. The spacious great room opens to a well-appointed kitchen with a breakfast nook, finished in neutral, welcoming tones. The kitchen offers plenty of counter and cupboard space, a large island, corner pantry, and new appliances (2023). Sliding doors lead to a newly completed raised vinyl deck with two gas lines – one for a fire pit and one for a BBQ or infrared heating – plus composite privacy walls finished on both sides. A full main bath and roomy upper foyer complete this level. A convenient two-piece bath is located on the landing to the walkout lower level. The lower level offers endless possibilities, with a rough-in for a fourth bathroom, dedicated laundry space, and abundant storage. From here, step out to a covered deck – featuring three gas lines for a fire pit, BBQ, and heater – and into a fully fenced backyard oasis. Professional

xeriscaping, perennial plantings, a tranquil pond, multiple seating areas, and a freshly refinished lower deck create an ideal setting for entertaining or simply enjoying quiet evenings under the stars. Additional updates include a hot water tank installed in 2023.
