Residential on 0.14 Acres

Rutland Park, Calgary, Alberta

Welcome to Rutland Parkâ€”inner-city convenience with a quiet, tree-lined feel. Lovingly cared for as a family home for decades, this 1,221 sq ft bungalow sits across from a school and showcases established landscaping: abundant perennials and beautiful flowers, generous veggie-ready beds, mature trees, and a pretty hedge wrapping the front yard for curb appeal and privacy. Inside, a huge living room with a beautiful picture window is anchored by a gas fireplace. A separate dining room leads to the kitchen overlooking the garden. The main level features 3 bedrooms, including a primary with 3-piece ensuite, plus a 4-piece main bath. The lower level is partially developed, offering a massive rec room, den area, an additional 3-piece bathroom, and a cold roomâ€”perfect for storing and preserving your garden bounty. A separate side entrance provides excellent flow and future secondary-suite potential. Updates over the years include updated windows, roof (approx. 6 years), furnace (approx. 7 years), siding, and bath refreshes (approx. 14 years). Out back, enjoy the established planting areas and a single detached garage with lane access. Minutes to Mount Royal University, North Glenmore Park and Reservoir pathways, Marda Loop, Westhills/Signal Hill and Westbrook shopping, transit, and major routesâ€”this well-kept bungalow blends comfort, potential, and a standout inner-SW location.
