Residential on 0.08 Acres

Copperwood, Lethbridge, Alberta

The Carlos by Ashcroft Homes is a 1855 sq/ft 2 storey with 4 bedrooms and 3 full bathrooms. Located in the family friendly subdivision of Copperwood, close to the Crossings Playground and multiple schools, the YMCA, and plenty of shopping. This amazing layout is spacious, bright, and beautiful. Enter into the oversized front foyer equipped with a large coat closet, ceramic tile flooring, and plenty of room. To the left of the front door are two large glass french doors leading to the main floor bedroom/office, a 4-piece bathroom, and an open living area and kitchen made for entertaining family and friends. The kitchen features ALL stainless steel appliances, fridge and a stand-up freezer, a built-in oven, built-in microwave, gas cooktop, and a glass hood fan over top and pantry. The large island is the centrepiece of the room, while providing extra seating and prep space. Towards the backdoor you have the dining area, and adjacent to the kitchen is a large open living room, finished with built-in shelving and a large window allowing plenty of light. Make your way up the stairs to the top floor where youâ€™™ll find two good-size bedrooms, and a second 4-piece bathroom, as well as a huge laundry room. The last room upstairs is the stunning and bright primary bedroom, the en-suite features a double vanity bringing it to a total of 5-piece and an enormous walk-in closet. Head back downstairs and into the basement featuring a theatre area with projector and screen with 5 built-in speakers! Through the

door to the right of the basement stairs is a massive amount of unfinished potential, whether it be a 5th & 6th bedroom, more entertaining space, or an office, the blank canvas is yours to do as you please, it also contains plumbing to add a 4th bathroom! Out in the backyard you have a newer deck for all your barbequing needs, raised garden beds, and a double parking pad! This property has so much to offer, book a viewing today!
