This duplex is out of the flood plain. It currently is a rental property that rents for \$650 per month, Tenant would like to stay. Seller does not live in the property therefore it is being sold "as is where is" due to the fact that the foundation is compromised due to a heave in the basement floor and there were some horizontal and vertical cracks in two basement walls that were repaired in 2024. The roof was redone 2 years ago. Price reflects deficiency. Please note that 24 hours notice is required for all showings as per tenants rights..
