Pride of ownership shows throughout the 1700+ sq ft home. This is a very well appointed home with an open concept main floor, large bonus room (baseboard heaters fed from Boiler for floor heat) over the garage. There are three bathrooms. If you like to entertain this is the place, lots of room to spread out. The basement has three really large bedrooms for your growing family. The floor heat in basement and garage are a big bonus to be really appreciated in the winter months. Central Air Conditioning, outstanding B/I BBQ on back deck.
