Fantastic 4 level split in a great location, close to amenities, schools and parks. Great for a family looking for tons of space and a great backyard with large deck and grass space to play. Nice bright kitchen with eating area and dining room and access to large 19x12 rear deck for bbq's and relaxing in your private yard. Comfortable living room on main level and another in the lower levels for TV and family time. 3 good sized bedrooms on upper level with a nice full bathroom, and 1 in the lower with its own 3 pce bathroom. The two lower levels have been completely reno'd due to a ground water issue that had been rectified and a new sump pump installed with battery backup for good measure. 22x26 double garage not finished and a large garden shed.
