Welcome to 316 Spruce Street in the friendly community of Springbrook! This beautifully updated Semi Detached 2-storey home offers comfort, space, and style in a quiet, well-established neighborhood. Over the years, this home has been completely transformed from the studs out â€” giving you peace of mind with quality renovations throughout. Inside, youâ€™ll find a thoughtfully designed layout with 4 bedrooms and 3.5 bathrooms, including a newly redone upstairs bathroom. The main floor features a bright kitchen with quality cabinetry, a pantry, and a gas stove, open to a good-sized dining area with new sliding doors leading out to the back deck. A cozy gas fireplace warms the inviting living room, and a convenient 2-piece bath completes the main level. Upstairs, youâ€™ll be impressed by the exceptionally spacious bedrooms â€” each offering plenty of room for full furniture sets and large windows that fill the rooms with natural light. The large primary bedroom feels like a private retreat-oversized, bright, and beautifully comfortable includes an ensuite and as a bonus the upstairs has hook ups for an additional washer and dryer for added convenience. The fully developed basement provides even more living space with a family room featuring a second gas fireplace, a large bedroom, a 3-piece bath, with washer and dryer set. Although this is a semi-detached home with one shared wall, it truly feels like a detached property thanks to its layout, large

lot, and outstanding privacy. The fully fenced yard offers total seclusion with a spacious deck 16x24, gazebo, and cozy fire pit area – all backing onto green space with no houses behind. A long paved driveway, detached 12x22 garage, and beautiful landscaping complete the picture. Pride of ownership shines through every detail in this move-in-ready home.
