\$719,900

5 Bedroom, 3.00 Bathroom, 1,147 sqft

Residential on 0.12 Acres

Queensland, Calgary, Alberta

Welcome to Queensland where mature trees, friendly neighbours, and park-side paths meet modern upgrades and serious income potential.

This 5-bedroom bungalow blends classic curb appeal with a fully modern interior. Step inside and it's all crisp lines, custom finishes, and designer-level attention to detail. The main floor feels bright, open, and warm think flat ceilings, quartz counters, slow-close cabinetry, and that kind of someone actually cared about this renovation energy.

Downstairs? It's not your average basement. It's a rare fully legal, 2 bedroom basement suite built with permits, pride, and an eye for perfection. Triple-pane windows, modern kitchen, electric heat, cozy fireplace! It's ready for your tenants, your in-laws, or your Airbnb ambitions. And the garage oh, the garage! Heated, insulated, wired to the nines, epoxy floors, app-controlled lighting! It's basically a dream workshop disguised as a place to park your cars.

Everything from the furnace to the fascia has been updated, meaning all that's left for you to do is move in, relax, and decide whether you're the landlord, the multi-gen homeowner, or the lucky one who just found the most dialed-in bungalow in the southeast.
