For more information, please click the "More Information" button. Welcome to this thoughtfully designed and newly-constructed 2-story home with 1626 square feet of developed living space. The front of the home host a wide porch that leads into a spacious south facing front entry. A large sunny front entry opens to the main floor with unobstructed views of the back yard. The main floor, facing north, opens into a combined kitchen, dining and living room area with nine foot ceilings. With the big, blue sky on display out the back windows the prairie offers up an undeniable feeling of wide open space. Upstairs there are three rooms, 1 primary bedroom with walk-in closet and ensuite, 2 secondary bedrooms alongside a full bathroom, that once again allow sunlight directly into the upstairs. Other interior features include a basement with 9-foot ceilings, ICF and drywall installed. All providing improved energy efficiency, enhanced durability, and superior soundproofing. Outdoor features include a large deck off the back and a sunny front veranda. The backyard has lane access and ample space for a parking pad or up to a 1,200 square foot workshop/garage. One of this home's most notable points is that it is walking distance to the Cayley School (K-8) and an 11 minute country drive to the High River High School. With easy access to Hwy 2, the amenities of High River, Okotoks and Calgary are close by. Stony Trail is only a 35 minute drive away. A true gem!
