Stop the car (and park it in the double car garage!). Hitting the market, but not going to last, is this 1 bedroom, 1 bath cutie, with an amazing yard in a great location. The living room is cosy, features new vinyl plank floors, and a gas fireplace. There is a deck on the front with great views of the sunrise/sunset. In the backyard, there is plenty of room for gardens and a garage completes the package. The basement makes for good storage and houses the laundry team. It's got curb appeal
