Residential on 0.12 Acres

Mountain Heights, Lethbridge, Alberta

Marvelous Kitchen Renovation! Thoughtfully designed family home that has had a significant amount of updates already done, but is still waiting for you to complete the final finishing touches. Let's start with the main event...the kitchen. Total re-do was carried out in 2024 including maple cabinetry, quartz countertops, soft close drawers, vinyl tile flooring, and stainless appliances. Both hot water tanks (yes there are two) and the A/C were replaced in around 2020. Additionally, the shingles were replaced in 2014. Lots of room for your people with 5 bedrooms (3 up and 2 down) and 3 bathrooms. Other thoughtful features to note would be the covered and sheltered deck; attached garage measuring 23 ft deep and 19 ft 4 inches wide (interior measurements) with exit door to yard and 10 and half foot ceilings; big basement windows, and a convenient computer or fitness nook; a spacious primary bedroom, and a huge 5th bedroom down. This property has a nice sized lot, backs onto a greenspace/walking path, and is located at the edge of a cul-de-sac, close to schools and parks. Now is the perfect time to act for a possession date before Christmas!
